Wellness részlegünkben a felszolgálat polikarbonát poharakban történik, ezzel elkerülve az esetleges baleseteket. A korábban üvegpoharakban elkészített italokat kollégáink készséggel áttöltik Önöknek törésbiztos poharainkba.

In our wellness area, we serve our drinks in polycarbonate glasses to avoid possible accidents. Our colleagues are going to transfer any cocktails or drink preparations into those safe glasses cordially at our Lobby Bar, so our guests can enjoy their favourite cocktails in the Spa as well!
